OPTIONS FOR SWITCHES WHICH CAN BE  
PURCHASED SEPARATELY.**

## IMPORTANT WARNING

Elevator Equipment **MUST** BE maintained and installed by qualified elevator service technicians and elevator contractors. Most states require that both mechanic and elevator company be licensed in order to perform repair and replacement. If you are not a licensed elevator company or mechanic you are putting your life and those that ride elevators at risk. Failure to have a qualified technician repair or install elevator equipment will nullify any warranty and may cause death or injury.
